

Saint Leo the Great Preschool Extended Care Program

Our Extended Care Program is designed to accommodate parents who would like their child(ren) to remain until the end of the regular school day, which ends at 2:40PM. Extended Care is available to ALL Preschool students.

To enroll in this program, please circle the days your child will be attending. Drop-ins will be accommodated if space is available but only to children who have previously registered. Please call before 10:00AM to make arrangements.

If sending your child to Extended Care, please make sure to provide him/her with an additional peanut-free snack and drink in a separate bag labeled "Extended Care".

You may also enroll your child for the entire year by checking off the box below and circling the days of the week that your child will be attending.

Cost for this program is \$18.00 per day.
